Half Million Dollar School Program

Our Town

By Peggy Blanchard

President Truman's visit to the district is big news of the week. A friend of ours had lunch with him while he was in Santa Clara Valley, but refuses to say what for, where, who said what or even to describe the presidential necktie, so I guess I haven't a story there.

★

Mrs. Virginia Ammon's Velvet and Lace, two-year-old Dalmatian, took four points on championship at a recent show in Santa Cruz and now, brushed and groomed, is off to Long Beach to enter the West's biggest dog show this weekend. More than 2300 dogs will be shown.

★

Your puppy, registered or not, will henceforth step up and pay a tax, even as you and I. Wonder if this will turn out to be one of those unpopular taxes. Remember the car stickers? Ooof! Maybe one is still supposed to have 'em.

★

Campbell folks are watching the career of Josephine Barbano with affectionate interest. This week they were happy to learn that she has been engaged by the S. F. Opera company. Josephine received her basic training in voice from Tom Torrington in San Jose and has appeared here informally several times.

★

Betty Allen—please send us an account of your selves and the Portland flood! We are flooded with requests to know of your safety.

California Security Loan Week Drive To Start This Sunday

California's "big push" in current nation-wide U. S. Savings Bond sales drive will get underway Sunday, June 20, according to an announcement by W. W. Crocker, chairman of the Treasury Department's Northern California Savings Bond Committee.

"Special local events and intensified efforts by local volunteer bond-selling organizations will highlight the all-out California Security Loan Week campaign," states Mr. Crocker, "and we sincerely believe the June 20-26 climax to our Northern California drive will produce record bond sales throughout our area."

Pointing out that the theme of the Treasury's current bond drive is "America's Security is your Security," Mr. Crocker said that regular purchase of Savings Bonds is a powerful weapon against inflation—as well as affording the purchaser financial security and a top-interest, safe investment backed by the full resources of the Treasury Department.

Additionally, he continued, the $51,000,000,000 in Savings Bonds

(Continued on Page 8)

Garcia Pup Wins Three Firsts Again

Three more high awards were won last Sunday at the Pittsburgh Dog Show by Carlina, prize Pyranees puppy owned by the L. E. Garcia family.

The nine-month-old puppy, in her beautiful, long pure white coat, has consistently won in all the shows she has been entered in lately. Only the week before, at Sacramento, Carlina walked off with all the honors in her class. The puppy is one of only 40 in the state and comes from a breed developed in the great Pyranees mountains of France.

L. J. Hill Elected New President of Local Chamber

Wednesday night's meeting of the Campbell Chamber of Commerce, attended by 24 regular members, was marked by the election of one new officer and four new directors. Laurance J. Hill, principal of the Campbell Union High School, was elected president for the next yearly term. New directors elected were: George Jeffers, Budd Levenberg, William Maderis and Cel Gerevas.

Officers and directors retained were Forrest Reese, secretary; James Brand, treasurer; and Homer Hyde, director. Mr. Hyde is a director recently elected to the board through the resignation of Al Conley. Reese and Brand were elected in January to their first terms of office.

The new board of directors will serve as chairmen of the following committees:

Jeffers, membership; Hyde, publicity; Levenberg, public relations; Maderis, public improvements; Gerevas, financial.

Mr. Hyde was named chairman of a committee consisting of Forrest Reese and William Henley to rewrite the organization's by-laws.

Mr. Hill takes office with all the best wishes, and assured cooperation of the entire membership. He is popular in the community and has been a hard worker in community affairs. Under his leadership, and with the re-organization plans proposed, the Chamber may well become the strongest factor in promoting the best interests of Campbell.

High School Cadets Plan Encampment

Some 14 cadets from Campbell Union High School's unit of the California Cadet Corps have registered to attend the annual Cadet encampment at Camp San Luis Obispo June 24 to July 6, Lieutenant Colonel Charlie A. Royston, acting director of the Cadet Corps, announced today.

The encampment will bring together 800 boys from public and private secondary schools throughout the state, Colonel Royston said. Sixty adult commandants will comprise the encampment's instruction and administrative staff.

Majority of the staff which will supervise activities are veterans of World War I or II and include former Army, Navy and Marine Corps officers.

Formal instruction at the camp will include courses in first aid, swimming, and life saving, map reading, marksmanship with range firing, physical training and leadership and command.

A full program of sports and recreation is planned with regular evening entertainment on the post in cooperation with civic organizations of San Luis Obispo.

Cadets from Campbell Union

Josephine Barbano Chosen for Chorus Of San Francisco Opera Company

Josephine Barbano of Campbell, lyric soprano, has her foot on the first rung of the ladder of success of which all serious young musicians dream.

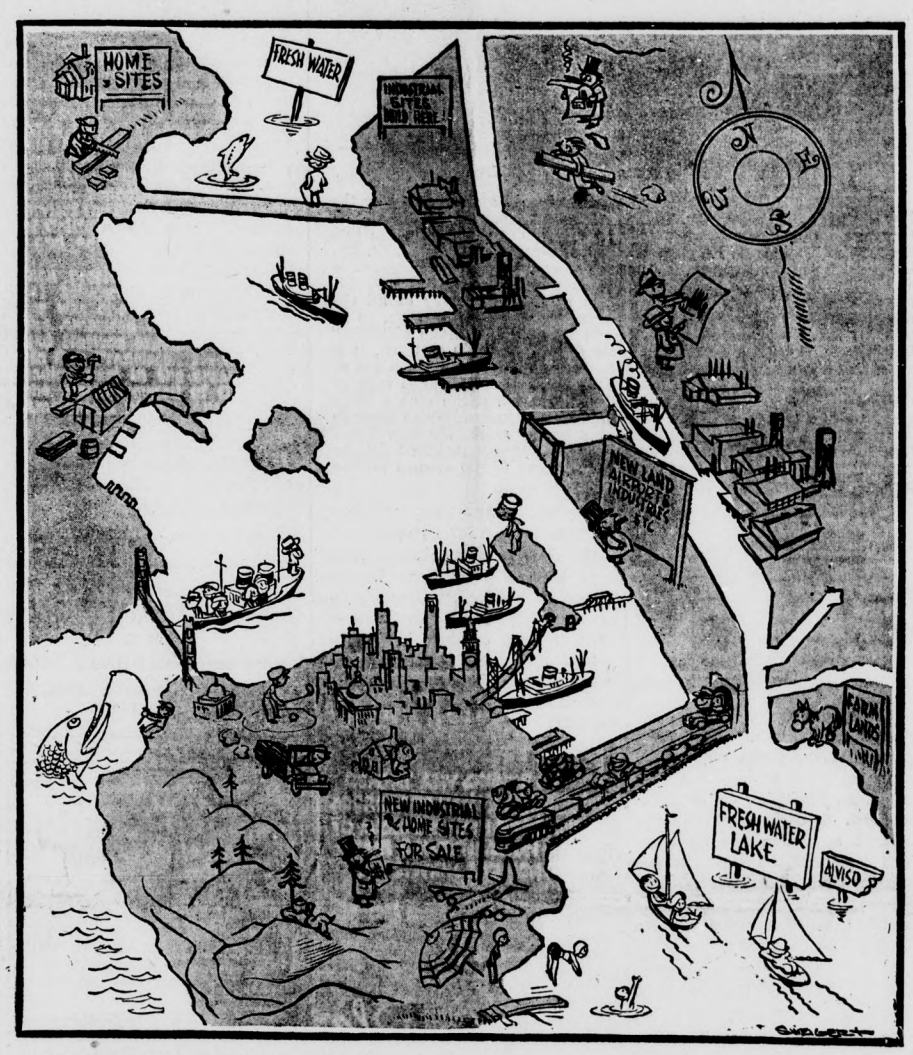
She has been accepted for the chorus of the San Francisco Opera Company, and is now participating, 12 hours a week, in rehearsals for the Fall season.

Miss Barbano is a daughter of Mr. and Mrs. Louis Barbano, Box 147 Winchester Road. She graduated from Campbell High School seven years ago, has been soloist at Holy Family Church, has sung at Alum Rock Park Sunday concerts, for many organization meetings and on local radio broadcasts.

She was selected for the opera chorus after February auditions, and was one of about a dozen new to the chorus of approximately 70 voices.

She and the other novices have about 20 operas to learn before the company goes on tour to Sacramento and Los Angeles in the Fall. The method, she says, is for the chorus to spend about two weeks on one opera, then go on to another and another, and presently back over the ground again for further polishing. Three-hour rehearsals are held four nights a week.

Joyous Map of The Reber Plan



A proper economic map of the Reber Plan should be statewide or nationwide because of the state and national benefits. But Cloyd Sweigert, famous cartoonist of the San Francisco Chronicle, chose to draw a portion of the Bay Area so he could animate his map. His drawings show trains crossing the Bay, great factory expansion, freeway auto transportation, airports in the center of population, expanded suburban living, and stimulated recreation in the warmer fresh water lakes which are expected to minimize fog hazards. He did not attempt to picture the military safety, which with water conservation, is of very wide interest.

Future of California Is Tied to Water Use, Says Originator of Plan

California must soon face the question of whether its water resources will permit any further increase in population, according to John Reber, author of the Reber Plan for developing San Francisco Bay.

"It is no longer a question of unlimited expansion of population in this state," said Reber. "Our drought experience of this spring showed us that. Unless we take steps to conserve our water resources, California figuratively may have to put up signs at its borders saying ' Keep Out. We Have All the Population Our Water Resources Will Stand'."

Such drastic action is, however, unnecessary if the State will develop its water resources according to a sound plan, according to Reber, who sees no limit in the visible future to population expansion under such circumstances.

"Italy, about the size of California, has a population of 44,000,000," Reber pointed out. "But," he questioned, "can anyone visualize a population of 44,000,000 in California, or even half that, unless our State takes steps to store and use nearly every drop of water that falls in the State?"

Reber declared that the greatest loss of water in the State is through the Golden Gate of San Francisco Bay. Through this breach in the Coast Range rampart, he said, annually pours an average of33,000,000 acre feet of water, sufficient to support the industrial, commercial and social development of a vast new population.

"Out this narrow channel flows the run-off of the Sierra Nevada range, the eastern slopes of the Coast range, the Sacramento and the San Joaquin Valleys from the Siskiyous to the Tehachapis, one of the greatest watersheds on earth, to pour its run-off through such a narrow throat," Reber said.

Final Rites Read For John J. Lynch

John J. Lynch, City Manager of San Jose from 1944 until 1946, was laid to rest in Oak Hill Memorial Park Tuesday following funeral services at W. B. Ward Funeral Home.

Services at the grave were under auspices of San Jose Post 89, American Legion, of which Lynch was a member.

He died Sunday in the apartment of friends at Capitola Beach, where he was stricken by a heart attack, after swimming.

Before becoming City Manager, Lynch served 25 years as San Jose's City Clerk. During the early part of World War II, he organized San Jose's civilian defense effort. He was a veteran of World War I.

After his retirement from public life, he operated a public administration consultant service at 40 W. San Antonio street, until the time of his death.

He prepared a comprehensive report regarding the incorporation of Campbell prior to the recent election.

He was the husband of Mrs. Alice Lynch, 625 S. 15th street, and the brother of Miss Alberta Lynch of Los Angeles.

He was 53 years old.

All Aboard For Canada!

By DUDLEY HERSCHBACK

Canada! That magic word means a lot to the senior scouts of Explorer Post Two of Campbell, as every member is working feverishly to finish preparations for a trip of 16 days. The ambitious lads have worked hard raising money and readying equipment for their summer adventure.

Plans set the leaving time at 5 a.m. Saturday morning, June 19, and so not much time is left for completing arrangements. Such a trip demands a tremendous amount of planning and "string pulling" as well as wading through much "red tape." But the scouts believe that swimming, bear hunting, fishing, hiking, boating, horseback riding and good wholesome loafing will cure any headaches suffered in preparing for the trip.

The boys plan to camp at several scenic spots in Oregon and Washington on the way to Canada. A ranch near the 150-mile house in British Columbia will be their final destination.

The entire membership of the Post will make the trip. The Scouts are: Harry Pankoski, Dud-

(Continued on Page 8)

Grange To Hear Freeholder

At the next meeting of Orchard City Grange 333 June 22 at 8:30 p.m., Harry Mitchell, a rancher and member of Prune and Apricot Grower's Association and one of the elected freeholders for the County Charter, will give a talk on the reasons for the County Charter and improvement of county government.

The public is cordially invited. The Grange meets in I.O.O.F. hall, Campbell.

Schools Rush Buildings To House Enrollment; State Grants Aid Here

Six additional class rooms are needed for Campbell Union High School to accommodate an enrollment increase of some 300 students anticipated next term.

Trustees of the high school issued a call for bids on construction this week.

Moorpark School, completed in March, already is inadequate for the number of pupils expected in September and parents of the school met with the superintendent and trustees recently to discuss financing additions to the modernistic structure.

Meantime, half-day sessions faced Campbell's schools again in the autumn as the population continues to climb.

Besides families newly settling in the district at present, California birth-rate figures indicate even greater crowding five years hence, when the current baby population reaches school age.

Births in the state have increased more than 100 per cent in the past decade, from 11 to 1000 in 1937 to 25 per 1000 in 1947.

Campbell Union High School District now has funds in hand for completion of the new structure, Laurance J. Hill, superintendent and principal, announced today.

When finished, about January 1, the building will contain a mechanical drawing room and five class rooms earmarked for General Math, English I, Spanish I, Orientation and a study hall.

Exterior is to be stucco to tie in with present buildings on the high school campus. A permanent building, steel framed and of modern design is planned. Outside corridors, bilateral lighting and radiant heat are features of construction.

The State Allocations Board in Sacramento Tuesday approved additional assistance totaling approximately $368,000 for three dis-

(Continued on Page 8)

Stanford Awards Degrees to Four Campbellites

Four Campbell graduates received degrees from Stanford University Sunday.

Robert B. Hicks, son-in-law of Mr. and Mrs. William N. Lloyd, was graduated with distinction and was awarded a Bachelor of Science degree in the industrial engineering.

Mary Louise Blair, daughter of Mr. and Mrs. Frank Blair, received a master of arts degree in speech. She was graduated by San Jose State College in 1947 and plans to continue her graduate work toward a doctorate in speech.

Kenneth Arthur Tinkler received a master of arts in education and Carl Burrough Field Jr., son of Mr. and Mrs. Carl B. Field, was given a master of arts in the School of Social Sciences.

Kiwanis Hears Of Convention

Highlights of the recent Kiwanis convention were reported Tuesday noon to Campbell members at a luncheon in Campbell Woman's clubhouse.

Some 1100 registered delegates attended the convention, which was addressed by Gov. Earl Warren.

Clarence Nelson, chairman, had arranged a showing of a film on the sixtieth anniversary of the Aluminum Corporation of America. Singing was led by Rev. Robert L. Carlson.

Ralph Marsh was student guest for the day and other guests were from Los Gatos and San Jose.

Carl B. Field is chairman for the June 22 meeting.

Dr. Mott Plans Graduate Study

Dr. John M. Mott will leave Campbell June 30 to begin a year of post-graduate study and research.

He will be on leave from his practice here and from an instructorship in the Department of Anatomy at Stanford University Medical School. He was graduated by Stanford School of Medicine in 1943 and served in the U. S. Army Medical Corps for some two and a half years. He has taught in the University for the past 12 months.

Dr. Mott's practice will be maintained during his absence by Dr. Robert M. Wade.

Rotary Honors Wives at Party

Members of the Campbell Rotary Club entertained their wives at a dinner party in Country Woman's Club last Monday night. It was the first opportunity for the new club to have their "Rotary Anns" get together in a social meeting.

Fifty eight Rotarians and wives were treated to an evening of music, singing and entertainment provided by a committee composed of Joaquin Payne, George Jeffers, Forrest Reese and President Jim Arends.

Guests were entertained with a solo and dancing by Marilyn De Vita, talented and attractive

What I Want for Father's Day

BY POP

Well, here comes my day . . . the one day of the year on which I reign supreme. Next Sunday I am King. I want my bacon and eggs, orange juice, toast and coffee served up to me in the grand manner while I recline in my bed going over the Sunday papers.

It will be alright with me if I don't receive a new 21-jewel wrist watch . . . a new fountain pen . . . a yellow convertible, or any other such gadgets. After all, those things are breakable, transient, material things. Here's what I want. . . .

To open my dresser drawer, and with my eyes shut pull out a crispy white shirt with ALL the buttons on it. Put on a pair of sox that I don't have to immediately take off on account of that hunk of big toe coming out the end. I want to come home at night . . . after the theater say, and find only the very necessary lights on in the house. I want to be able to go to the refrigerator and find there's still enough milk left for me to have a glass of it . . . or maybe that extra pork chop left over from dinner . . . (though I must admit that would be a minor miracle these days) . . . I'd like to be able to lay my hands on my last New Yorker . . . without looking under the children's beds . . . I'd like to see that Jo-Jo the boy-faced dog, the children's pride and joy, is asleep in the back yard instead of peacefully reposing on my bed with his head on my pillow. And I'd like the chief operator of the tooth paste squeezing department to cease and desist from his squeezing from the top down instead of from the bottom up . . . and when I'm late getting home from the office I'd kinda like to know that the flowers are going to be watered by someone else in the family . . . but, shucks—maybe I'd better take the fountain pen and keep the peace . . . I must be getting to be an old Crabtree.

Campbell Churches

CONGREGATIONAL CHURCH — Robert L. Carlson, minister. ★

METHODIST CHURCH — Lawrence J. Osborne, Minister. Sunday School, 9:45 A. M. Church Worship at 11 A. M. with special music and sermon. Nursery for small children during church.

Girl Scouts Receive Awards

Last Friday afternoon, June 11, the Girl Scouts of Campbell Troop No. 22 were greatly pleased by the grand attendance of mothers. After a most cordial welcome by Mrs. Ethel Arnold and Mrs. Nadine Webb, the mothers and guests were served refreshments by the committee. The large and very attractive cake, with matching decorations, emphasized the Girl Scout colors and the Girl Scout Trefoil emblem. A fruit punch completed the refreshments.

The play, "Buzzies' Babies," which the troop presented for their mothers by request, was warmly received, along with many chuckles.

After the program it was the serious, but very proud duty of Mrs. Ethel Arnold, leader, assisted by Mrs. Nadine Webb and Mrs. Royal Page to present the awards. These awards or badges, given to the Scouts, were well earned and meant accomplished and completed work in record time. All requirements were fulfilled satisfactorily.

Graduating from the ranks of Tenderfoot to Second Class Scouts were Joyce Gomes, Jacqueline Jansen, Leseth Hinz, Frances Evans, Shirley France, Diane Aiello, Marcia Webb, Mary Page, Veda Thompson, Audrey Arnold, Alice Lassen, Anita Raab, Joanne Strong, Myrna Pulliam, Diana Robba and Marion Gould.

Barbara Wadsworth, a transferee, had already earned her Second Class Badge and so was awarded further with a Membership Star for her additional work.

The following week Mrs. Margaret Wadsworth, cooking instructor, presented Scouts Marion Gould, Leseth Hinz, Barbara Wadsworth and Jacqueline Jansen with their Cook Badges. These girls, under Mrs. Wadsworth's capable tutelage, learned to plan menus, measure, prepare and cook regular meals, along with special dishes, much to mother's satisfaction. The last accomplished work was the delicious and famous Toll House cookies, baked and brought home by the girls for all the family to enjoy. Previously, the Scouts, being growing girls, had managed to consume most of their lessons before arriving home. The Scouts extend their gratitude and appreciation to Mrs. Margaret Wadsworth for her devoted time and effort.

Troop No. 22 has closed meetings for the term and wish to thank everyone and wish all a happy vacation until Fall, when regular meetings will again be in session.

Chicago Painter Leaves $100,000 To Mooseheart, The Child City

Some of Mooseheart's Happy Children

Mooseheart, Ill., the famed Child City owned and operated by the Loyal Order of Moose for children of its deceased members, became the recipient recently of a $100,000 fortune, bequeathed by the late Herman J. Englehard, 78, a painter and decorator, of Chicago, Ill. Mr. Englehard was well known in his own community for his kindness to and love for little children. Although not himself a member of the Moose fraternity, he chose Mooseheart as the beneficiary of all the money he had saved as a hard working laboring man because, as he told his attorney prior to his death, "I want to help little children." Mooseheart is both a school and home for nearly 1,000 children. It is an entire city in itself, with 150 buildings spread over 1,200 acres of lush farm land in the picturesque Fox River Valley, 35 miles west of Chicago. Nursery, elementary and high school education plus a trade are provided to the students. Mr. Englehard's humanitarian gesture is saddened by the fact that he met a tragic death. He was found fatally beaten in his home by an unidentified assailant. The Supreme Council of the Loyal Order of Moose has offered $5,000 reward for the arrest and conviction of Mr. Englehard's slayer.

CAMP FIRE GIRLS

Wiggata Camp Fire group, under the leadership of Mrs. W. O. Fuller, held their last meeting of the school year at the home of Mrs. E. B. Minehart on San Tomas road. A ceremonial meeting was held at which the girls received their first honors in the Seven Crafts of Camp Fire. Mothers were invited to attend and reciprocated with a weenie roast following the ceremony.

May 8, 1911, has been selected the official birth date of U. S. Naval aviation. It was on that date that the order for the Navy's first aircraft was placed with the Curtiss company.

The first two aircraft ever ordered by the U. S. Navy were Curtiss "Triads." The planes, one a landplane and one a hydro-plane, were ordered by the Navy on May 8, 1911.

PAT RALSTON HONORED

Pat Ralston of Campbell, a student at San Jose State College, has been elected to membership in the Spartan Spears, sophomore women's honorary service group. She was chosen on the basis of scholarship, activity in college affairs, character and personality.

Four kinds of water are used at San Francisco's Steinhart Aquarium: Salt water at ordinary temperatures, warmed salt water, fresh water at ordinary temperatures, and refrigerated fresh water for fishes that prefer cold water.

The U. S. Navy has developed a new steel cutting torch using electricity and an oxygen jet to operate. The new torch avoids the dangers inherent in using the highly explosive acetylene torch.

SCOUT NEWS

Troop 31, sponsored by the Congregational Church, wishes to thank all the people who made their cake sale last Saturday at the Maderis Market such a success. Profits will be used at a troop camp at the Stuart Scout ranch, above Saratoga. Troop Quartermaster Richard Gleed was in charge of the sale and his assistants were Gene Vargas and Ron Gilpatrick. Selling committee members were Bob Pierce, Leonard McCully, Leon Madden, Ed Merrill, Cliff Smith, Joe Parysek and Tom Hitchman.

Ed Merrill is the troop's most recent member and was initiated into the troop by SPL Marlowe Windbigler at a recent candlelight ceremony. Scoutmaster Larry Cowper welcomed the new recruit and presented the Tenderfoot badge.

Three new officers took over their duties at the last meeting. Gerald Gilliam assumed the office of junior assistant scoutmaster after serving as troop scribe for two years. Henry Ramp is the troop scribe and Jay Martin is historian. The new historian asks all those who were formerly members of Troop 31 and have either clippings or pictures pertaining to activities of this troop to bring them to a scout meeting, or give them to a member of this troop so they may be placed in the new troop log.

Plans for the summer include a four-day camp in the Santa Clara County council camp above Saratoga, where a program of nature study, crafts and hiking has been planned by the council with a trained staff under the leadership of Ken Robison, Scout executive.

Five members of the troop plan on attending a 10-day summer camp at the Stanford Area Council camp at Huntington Lake in the Sierras, between June 30 and July 9.

Summer swims are planned for all summer with troop meetings once a month. Activities committee for this troop include E. H. Hodges, R. S. Gilpatrick and F. L. Gilliam. The troop chairman is Glenn Robinson with Howard Smith as committee secretary. Other members of the committee are R. H. Ledum, Harry Smith and Rev. Robert L. Carlson.

In order to give full recognition to the two inventors of the airplane, U. S. Navy records recently were changed to honor the memory of both Wilbur and Orville Wright in the name of the carrier USS Wright.

KIWANIS NINE WINS

Kiwanis Club defeated Cambrian Men's Club in baseball Monday evening, 20 to 8.

The first recorded use of coal occurred in England about 852.

A MESSAGE TO OUR CUSTOMERS and FRIENDS

So many of our friends have asked us if they could buy meat from us for storage in their own home storage cabinets that it has prompted us to make this explanatory message.

THE ANSWER IS YES! Of course you may. You don't have to rent a locker from us, nor will we give you any "high-pressure" sales talk when you come to see us. We want the public to feel free to inspect our plant and see for themselves how we operate.

YOU MAY HAVE THE BENEFIT OF OUR EXPERIENCE IN THE MEAT BUSINESS

We are glad to pass along to you the information we have on prices, availability and future meat prospects. It looks now as though the present high cost will remain the rest of the summer. The better grades of lamb and beef will quite likely remain at their present high levels for some time.

WE HAVE ONLY GRADE A GOVERNMENT INSPECTED MEATS

At present we can assure you of the same high quality of meats as ever. For those interested we have the lockers to rent. And of course we sell and process meat for your own home storage cabinet.

AN INVITATION

We cordially invite inspection of our plant, behind the Kopper Kettle. We think you will go away pleased with what you see, and you will learn how to **SAVE ON MEATS.**

CAMPBELL BUSINESS WOMAN

Mrs. Anna Cicchetti, with two years of experience in the furniture business, has been tendered a position with Hubert's, Campbell's newest furniture store. Mrs. Cicchetti has made many friends in this vicinity through her past business associations. The new store, opened early in the spring, is owned by Ed Hubert, who came to Campbell from Sacramento. Mr. Hubert is known throughout California as a merchandising expert. He has managed various large department stores throughout the state.

Kathleen Norris Addresses Garden Forum Luncheon on Equal Rights Bill

Kathleen Norris, famous author, was awarded an ovation at the Garden Forum luncheon meeting held at the Hotel De Anza, San Jose, last Saturday. The large audience overflowed the seating capacity of the upstairs ballroom. More than 40 women's organizations were represented at the gathering.

Mrs. Norris spoke on the Equal Rights Amendment Bill now before Congress. She said: "We must leave no stone unturned until these more than one thousand and one laws discriminating against the women of our country are repealed.

"We live in a progressive age. Women demonstrated in the two great world wars their ability, courage, and willingness to help shoulder the responsibilities and burdens of this sick world; and have aided greatly in solving many of the almost insurmountable difficulties facing the world today.

Women must be free from the shackles that bind them, the many restraining influences and innumerable inequalities of laws existing in every state in this union.

Mrs. Norris recently sold her Palo Alto home and has taken up her permanent residence in the Saratoga foothills.

Unusually beautiful floral arrangements graced the dining room tables at Saturday's meet.

Dr. Mark Rifenbark gave the invocation. A short musical program was presented. Mrs. Bertha M. Rice, head of the San Jose Garden Forum was general chairman of the day.

Mrs. Monica Parr and Mrs. J. B. Collins of Campbell attended the luncheon and Mrs. Parr was presented with a prize for the Mitilaja poppies and other wildflowers in rustic containers that she had arranged for the decor.

Wedding Date Set For Garcia-DeBree Ceremony

Miss Yvonne Marie DeBree, who arrived by air from Brussels, Belgium, June 8, and Bethuel L. Garcia will be wed at 2:30 Sunday afternoon, June 27, in First Methodist church.

Mr. and Mrs. Louis Hubene of Santa Cruz who formerly lived in Brussels will serve the bride-to-be in place of her parents and Mr. Hubene will give her in marriage. Rev. Lawrence J. Osborne will officiate.

The couple will be attended by Beryl and Beulah Garcia, brother and sister of the bridegroom-elect.

A reception of family friends will be held in Country Woman's Club after the ceremony.

Citrus fruits from Los Angeles County were exhibited for the first time at a California State Fair in 1858.

Site of this year's California State Fair, September 2 through 12, covers approximately 207 acres.

Nevada County will exhibit prize apples at this year's California State Fair, September 2 through 12.

Legion Auxiliary's Installation Will Close Season on June 23

At the final meeting of the year for Campbell American Legion Auxiliary, No. 596, June 9, donations were made to the district and department for educational purposes. A substantial sum was voted to the Red Cross for the Oregon flood victims. Clothing will be collected this week by the members and left at the home of Mrs. Harold Peck. Carolyn Klassen, six weeks old, was voted into membership, giving the unit its fourth infant member. A representative from the club serving in the children's ward at the Santa Clara County Hospital, spoke and any member, wishing to help in this worthwhile project, may contact the community service chairman, Mrs. Mae Brand.

Formal installation of new officers will be held the evening of June 23 with Mrs. Vivian Wright, 13th District President and her staff, officiating. It will be a joint meeting with American Legion Post No. 596. The following were elected to office: Past president, Mrs. Arrah Peck; president, Mrs. Edith Morely; first vice-president, Mrs. Florence Freud; second vice-president, Mrs. Iva Caber; chaplain, Mrs. Hazel Wilson; historian, Mrs. Ellen Lanphear; secretary, Mrs. Frances Clever; treasurer, Mrs. Mary Hummel; musician, Mrs. Jessie Olson; sergeant-at-arms, Mrs. Mae Brand; marshall, Mrs. Patricia Burch; executive committee, Mrs. Grace Gardner, Mrs. Gertrude Wood and Mrs. Evabelle Fuller. At the close of the meeting refreshments will be served in the I.O.O.F. hall, the home of the Post.

Job's Daughters List Officers

Second installation of officers of Bethel 174 International Order of Jobs Daughters was held Saturday, June 12.

A large number of parents and friends witnessed the beautiful ceremony.

The room was decorated in silvered leaves and purple flowers as a setting for the young women in white Grecian robes.

Patricia Ralston was installed as Honored Queen; Beverley Jensen as Senior Princess, Patti Saunders as Guide and Donna Horn as Marshal.

The following are appointive officers: Chaptain, Janet Coombs; treasurer, Dorothy Kamuf; recorder, Jeanne Currie; musician, Joline Howard; librarian, Ann Owens; first messenger, Janis Henley; second messenger, Judith Horner; third messenger, Barbara Enochs; fourth messenger, Patty Andrews; fifth messenger, Carolyn Bramley; inner guard, Pat Hitchman; outer guard, Claire Lincoln.

The celestial choir members are: Darlene Campbell, Frances Ehler, Ariel Hoover, Ruth Johnson, Irene Carrol, Lenore Crest, Nancy Severns, Louella Rice, Mona Barlow, Dolores Spinney, Mary Lou Cline, Patty Powell, Shirley MacCallister, Judith Thrash, Shirley Haack, Lois Gibson, Shirley Golden, Joan Haskell, Lois Kirk, Rosalie Barclay, Phyllis Palmer, Carol Olsen, Joan Schroeder, Jean Smith, Ann Sanders, Mardel Nelson, Jane Pauley, Jean Jensen and Barbara Jensen.

The next meeting will be held in the I.O.O.F. hall at 2 p.m. June 26, followed by a swimming party and buffet supper at the Lincoln home in Los Gatos.

* * *

OES STATED MEETING

Campbell Chapter 553, OES, will meet at 8 p.m. Friday, June 18, in Odd Fellows hall. Mrs. Ella Elkey and John Duncan will preside and Mrs. Frances Schluder is in charge of a program and refreshments.

Interior Modes... by René

A small bedroom is often a decorating problem, but a clever homemaker can do many a trick to make it look spacious. This room has been made to look larger by using a minimum of frills but a maximum of good taste. The one chair in the room has been selected because it provides comfort and was proportioned to the size of the room. Because an end-table would take up too much space, glass shelves have been used as a corner knick-knack. For the final touch of spaciousness the valance has a matching border at bottom of the window and the window shade matches the color of the draperies. The trick of matching the color of shades to draperies or the wall can make any room look much larger.

Sigma Club Holds Picnic

Members and friends of the Sigma Club of the Congregational Church gathered for a picnic dinner in the gardens of Ronnie Stoner on North Union avenue Tuesday evening at 7 p.m.

Honored guests of the evening were Rev. Robert Carlson and Miss Mae Fox. Congratulations and good wishes were extended to the pair by President Eva Grattan and a wool blanket presented from Sigmas.

Since this was the last meeting for the year, all members were urged to plan their gifts for the church bazaar to be held in the fall.

* * *

Elected Lodge Secretary

Ada Rebekah lodge elected Reba Chappell as financial secretary Tuesday evening at a meeting in Odd Fellows hall.

Entertainment, games and refreshments were planned around a circus theme by Mrs. Blanche Gilpatrick, hostess chairman. Guests were Evelyn Spotswood, Marion Rogers and Esther Young of Saratoga, and Gertrude Schaefer of Vashti lodge, Gunnison, Colo.

* * *

Past Noble Grands of Ada Rebekah lodge will meet June 24 with Grace Gardner, El Poter street. Helen Price is co-hostess.

PARENTS OF TWINS

Mr. and Mrs. Raymond Carptenor of Oakdale are the proud parents of twin sons. Formerly of Campbell, the couple are the daughter of Mr. and Mrs. Wiley Pierce of Campbell and the son of Mr. and Mrs. Robert Carptenor of Oakdale.

ENTERTAINS CIRCLE

Friendly circle of Women's Society of Christian Service, Methodist church, will meet with Mrs. A. L. Beck, Everett street. Mrs. Percy Lovejoy will be cohostess and Mrs. Clara Baldwin is leader of the group.

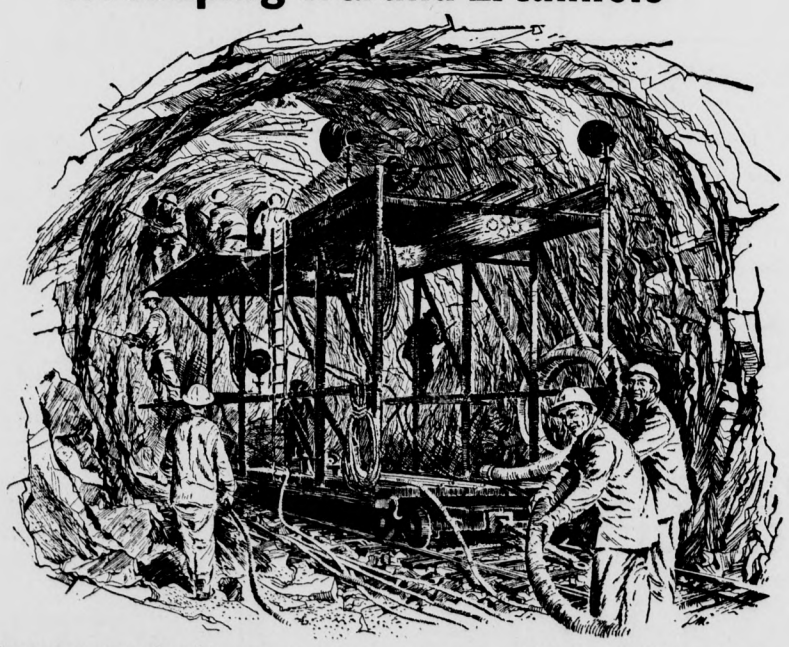
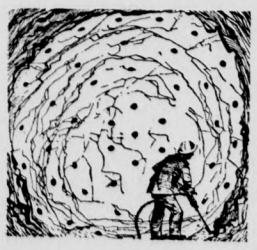
How skilled miners make dynamite behave
...shaping P.G. and E. tunnels

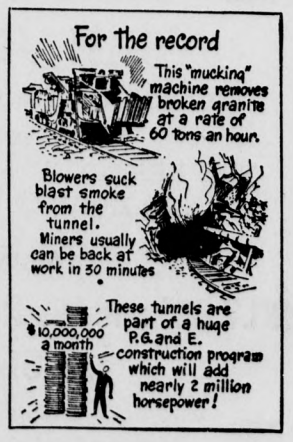


Have you ever wondered how engineers can blast tunnels through granite with almost pin-point accuracy? Here briefly, is how it's being done in two new P. G. and E. tunnels on the Feather River which soon will help turn out 270,000 new electrical horsepower. With a drilling platform, called a Jumbo, miners drill a special pattern of holes, 12 ft. deep, into which charges of dynamite are packed. Drilling usually takes 4 hours, preparing charges another ½ hour... then they're ready to blast.



Here's a diagram of a typical pattern. Experienced engineers can predict almost exactly what will happen. All the dynamite does not explode at once. Actually, there are 10 separate explosions in a fraction of a second.

The first blast removes the core... the others shape the sides, top and bottom. It's exciting work, going full speed ahead as P. G. and E. rushes America's biggest power-building program... to meet California's needs.



For the record
This "mucking" machine removes broken granite at a rate of 60 tons an hour.
Blowers suck blast smoke from the tunnel. Miners usually can be back at work in 30 minutes
$10,000,000 a month
These tunnels are part of a huge P.G. and E. construction program which will add nearly 2 million horsepower!

Work never stops on our power-building program

Important Notice to Owners of Dogs

Pursuant to County Dog License Ordinance passed by the County Board of Supervisors requiring a license fee of $1.00 per year for all dogs in the unincorporated areas of the county also creating positions of Foundmen, license fees may now be mailed to County License Collector, Roy P. Emerson, Hall of Justice, San Jose 18, California. In another column of this paper a coupon with the required information can be cut out and mailed with the remittance. Owners of more than one dog may show the additional information in a letter. A dog tag with link attached will be issued with each license. It is anticipated in the future to also have Poundmen in the various localities issue dog licenses.

Emerson says provisions of the ordinance makes it unlawful for any person to keep an unlicensed dog, and it is the duty of each Poundmaster to pick up stray dogs and if not redeemed by the owner the dog may be sold or disposed of.

Violation of the ordinance is a misdemeanor and upon conviction is punishable by a fine of not more than $100 or imprisonment in the county jail for a period of 60 days or both.

ATTENDS CONVENTION

Dr. Benjamin Nerenberg of Apricot avenue will attend the national convention of the American Optometric Association to be held in San Francisco June 29 through June 23. Dr. Nerenberg has his office in Los Gatos.

Top-Ranking Methodist Is California Bishop

BOSTON, MASS.—Bishop James C. Baker of the California Area elected president of the Council of Bishops of The Methodist Church by his colleagues, is shown here as he took over the gavel during the recent quadrennial General Conference here.

With offices both in Los Angeles and San Francisco Bishop Baker supervises the 800 Methodist churches of California, Arizona and Nevada, and administers work in Hawaii.

Then president of the International Missionary Council Bishop Baker was one of the consultants to the American delegation at the United Nations organization meeting in San Francisco. He will take a leading part in the organization of the World Council of Churches in Amsterdam in late August.

The U. S. Navy recruiting station, New York, led the nation with the highest total of new Navy recruits during the first quarter of 1948, with 5,062 enlistees. This figure was actually only 57.7 per cent of New York's assigned quota of 8,771.

San Francisco has 80 elementary schools.

There are 54 parks and plazas in San Francisco.

NOTICE TO CONTRACTORS

The Board of Trustees of the Campbell Union High School District, County of Santa Clara, State of California, invites and will receive sealed proposals up until 8:00 P. M. July 8, 1948, at the office of the said Board at the Campbell Union High School, Campbell Avenue at Santa Clara-Los Gatos Road, Campbell, California, at which time and place said bids will be opened and read in public, for furnishing of all materials and labor for the construction of a six classroom addition to the Campbell Union High School located on Campbell Avenue at Santa Clara-Los Gatos Road, Campbell, California. Bids shall be presented in accordance with plans and specifications prepared therefor by Birge M. Clark and Walter Stromquist, 321 Channing Avenue, Palo Alto, California, Architects, and these bids shall be as follows:

The Board of Trustees reserves the right to reject any or all bids and waive any informality in any bid received.

Cashier's or certified check, or bidder's bond for an amount not less than five per cent (5%) of the amount of the bid, but in no case to exceed three thousand dollars ($3,000) shall accompany each proposal, drawn payable to the order of Joseph Gomes, Clerk of the Board of Trustees, Campbell Union High School District, as a guarantee that the bidder will, after being notified of the acceptance of his bid, enter into a contract with the Board of Trustees of said School District in accordance therewith, and will furnish the surety bonds as required by the specifications, said check or bond to be forfeited to the said School District should the bidder fail to execute contract and furnish bonds as above mentioned.

All contractors shall be required to pay the general wage scale adopted by the Board of Trustees of the Campbell Union High School District and which is on file at the office of the said Board, and which represents the minimum wage which shall be paid for the said work.

It shall be mandatory upon the contractor to whom the contract is awarded and upon any subcontractor under him, to pay not less than the said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.

All bids are to be made out on forms furnished by the Architects.

Plans and specifications are on file in the office of the Clerk of the Board of Trustees of the Campbell Union High School District, and copies of said plans and specifications may be obtained from the office of Birge M. Clark and Walter Stromquist, Architects, 321 Channing Avenue, Palo Alto, California.

A deposit of $25.00 will be required from all contractors receiving plans, said deposit to be refunded when plans and specifications are returned in good condition.

By the order of the Board of Trustees of the Campbell Union High School District, Campbell, California.

Economy Oven Menu

Just one and one-half cups of ground meat serves six in two-in-one biscuits. The entire menu can be baked in the oven.

Economy in meal planning means attention to small details—like using leftovers, purchasing of seasonal foods, getting the most for your money whenever a food item is added to the market basket.

This menu has been planned to help you make a good start on the spring budget—and still please the family with food that looks and tastes good.

Two-In-One biscuits make excellent use of a cup or so of left-over meat or of fresh ground meat, always less expensive because it does not need to be tender. Enriched flour in the biscuits gives more for your money because it contains added B-vitamins and iron at no additional cost.

Tomatoes and asparagus are foods that spring makes inexpensive, yet they provide just the right color touch.

A saving in time is accomplished by using the oven for the entire menu. Yes, asparagus and tomatoes can be baked, and you'll find that color is retained when a moderately hot oven is used. Place the asparagus in a flat, shallow pan with just enough water to cover the bottom of the pan. Season to taste and bake uncovered until tender, turning the spears just once. The tomatoes are cut in half, brushed with melted butter or margarine and heated until they bubble.

Two-In-One Biscuits

2 cup sifted enriched flour
½ teaspoon salt
2½ teaspoons baking powder
1 to 2 tablespoons shortening
2/3 cup milk
1½ cups ground meat (may be either cooked or uncooked)
Salt and pepper to taste.

Sift together flour, salt and baking powder. Cut or rub in shortening. Add milk to make a very soft batter. Fill greased muffin pans one-third full with seasoned meat. Pour batter on top of meat, filling pan two-thirds full. Bake in a moderately hot oven (400 degrees F.) 30 to 40 minutes. Remove from pans. Turn upside down and serve with grilled tomatoes.

Yield: Six three-inch biscuits.

Drivers Warned of Responsibility Act

California's new Financial Responsibility Law which becomes operative July 1 calls for automatic suspension of drivers' licenses for violation of its provisions, A. H. Henderson, director of motor vehicles, said today.

Henderson will administer the law by which it is hoped to keep proven financially irresponsible drivers off the highways.

"The law is quite clear in regard to such suspensions," said Henderson.

"It specifically says that the department shall suspend the driver's license of any resident or the California driving privilege of any non-resident who fails to report accidents in California as required.

"Accidents involving injury, death or damage in excess of $100 to the property of any one person must be reported within 10 days to the Department of Motor Vehicles in Sacramento, regardless of who is to blame.

"Automatic suspension also is provided in the case of any operator who fails to post security within 60 days of filing an accident report. It is intended to meet any judgment for damages arising from the mishap."

Henderson said the amount of security will be determined from evaluation of accident reports. The department will employ no field force and vehicles must not be brought to Department of Motor Vehicles offices for determination of damage.

If owners disagree on the amount of damage involved, department evaluators will come to a final determination through study of the accident report forms.

Driving with a suspended or revoked license carries maximum penalties of a year's imprisonment or $1,000 fine or both.

Henderson warned that drivers' licenses and non-resident's driving privileges would remain suspended until the required deposit is made or until a year elapses from the accident date without a damage suit being filed.

They can be reinstated after evidence satisfactory to the department is provided of a release from liability, final adjudication of nonliability, confession of judgment or a duly acknowledged written agreement providing for payment of all claims in installments.

Exempt from the law are operators and drivers of vehicles subject to Interstate Commerce Commission or State Public Utilities Commission regulation or those owned by the United States, State of California, State political subdivisions, or municipalities.

"My advice to California drivers," Henderson said, "is to acquaint themselves with the provisions of the Financial Responsibility Act and protect their driver's privilege at all costs.

"They can familiarize themselves with the law through a State folder now available at most service stations, police departments, branches of the Department of Motor Vehicles, offices of the California Highway Patrol and insurance agents and brokers.

New U.N. World-Wide Radio Broadcasts

Besides radio news broadcasts in English, French, Chinese, Russian, Spanish, Portuguese, Dutch, Hebrew, Arabic, Tagalog and Turkish, the U.N. Radio Division has now added news summaries in Pushtu, Persian and Amharic, beamed to the Middle East and in Greek, Danish and Icelandic beamed to Europe. Above is the Iranian Ambassador Mr. Nasrollah Entezan speaking on a program for China.

Two model railroads, 120 feet in length, will be a new feature for this year's California State Fair, September 2 through 12.

Menlo Park Fete Heralds Don dePortola's Early Adventures Up the Peninsula

On July 14, 1769, Don Gaspar de Portola left San Diego with a company of about 64 men with a purpose of establishing a capitol in the new country at Monterey Bay in the name of Spain. But for some reason unknown to us they failed to recognize Monterey Bay when they reached it and continued their march over unchartered land until they finally sighted San Francisco Bay from the hills above San Carlos, about the early part of November. From this spot they looked down on what was mostly sand dunes and waste lands. This small group is credited with being the first white men to see San Francisco Bay.

However, not finding the place which they had sought, on November 11 they started on their long march back to San Diego, arriving there 26 days later. Of late, we have been hearing rumors that what they really sought was the Menlo Park Centennial Celebration.

If Don Portola and his men could return today and stand on the same spot in the hills, he would find remarkable changes. Instead of waste lands, he would see modern communities connected with first class roads and a railroad. Looking to their left, or northward, they would see stretched along the El Camino, like pearls on a huge necklace, San Mateo, Burlingame, San Bruno and San Francisco; to their right, or southward, they would see Belmont, San Carlos, Redwood City, Menlo Park, Palo Alto, Mountain View, Sunnyvale, Santa Clara and San Jose, the whole string lit up at night time like a far-stretched fairyland of lights. And from Menlo Park, in the heart of the Peninsula Country, would hear sounds of fun and laughter as the whole Peninsula celebrates in a great Centennial. He wouldn't have a bit of trouble in finding it today.

We extend a most cordial invitation to all to come with your entire family this week and join in the fun as you celebrate with us the past century of vast progress for the Peninsula Country.

Take a . . . train to Menlo Park—the best way to come. But for those who come by car, over the El Camino Real, you will be directed to free parking lots.

Happy Hour Club Entertained

A meeting of the Happy Hour Club was held at the home of Mrs. William Penhall.. A good time was enjoyed by all. A lovely luncheon was served. There was also a stork shower given to Mrs. E. J. Dolan.

Among members present were Mrs. R. Dryan, Mrs. F. Harris, Mrs. Frances Rizzo, Mrs. Josephine Souto, Mrs. Mertie Brown, Mrs. Amelia Sonnichsen, Mrs. Bertha Greeve, Miss H. DePuy and the hostess, Mrs. Leah Penhall. Guests were Mrs. J. Crawford, June Penhall, Rose Dolan and Rheba L. Chappell.

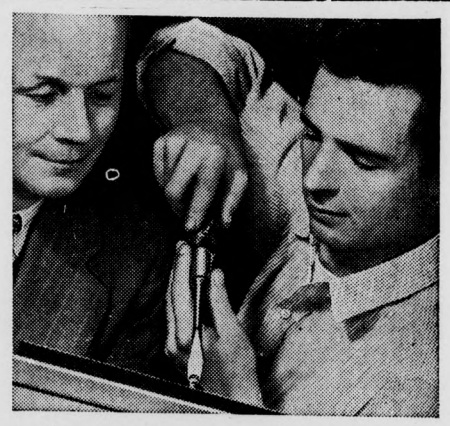
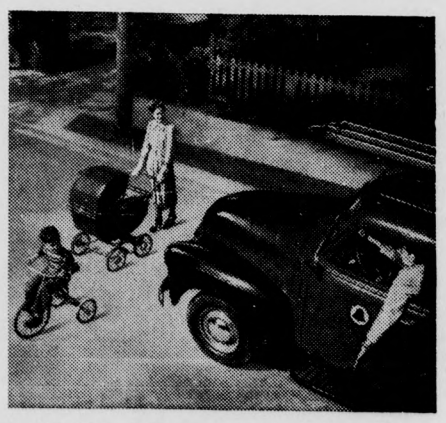
THE SAFEST PLACE TO WORK

How busy telephone people kept accident rate low in communications industry



1. "Learn it the safe way," instructors tell new telephone men. This man is learning to use a screwdriver so the point can't hit any part of his body. Every detail is important in building a safety record that is tops in the National Safety Council's 1947 study.

2. The pike-pole test makes sure the pole is safe to climb—before a man goes up. In 1947 rules like this made ours the safest of all Council industries with 3.33 disabling injuries per million man-hours. That's five times better than average. Pacific Telephone's score of 2.76 was better still.



3. On the road...as on the job... safety for others and for themselves comes first with Pacific Telephone people. All work with their famed safety motto in mind: "No job is so important and no service is so urgent that we cannot take time to perform our work safely."

Telephone jobs must be good jobs to attract the capable people needed to furnish good service. Good pay, steady work and an employee benefit plan give a strong sense of security. Comfortable surroundings, vacations and friendly fellow workers help make work pleasant.

The Pacific Telephone and Telegraph Company

More than 70,000 people working together to furnish ever-better telephone service to the West

Campbell Schools Award 259 Diplomas

GRADUATING CLASS
CAMPBELL UNION HIGH SCHOOL

For 124 seniors of Campbell Union High School, ceremonies at 5 p.m. Friday will mark their successful completion of Campbell school days.

Diplomas will be presented by Laurance J. Hill, district superintendent, and Miss Helen M. Nielsen, class faculty advisor, as the climax of a program on the athletic field.

Traditional sneak day, the junior-senior prom, installation of class officers, on Tuesday of this week, and other festivities have preceded the event.

Practice for graduation is to be held today.

Members of the graduating class are:

Karl Achterman
Angelo Aspesi
Margaret Battaglia
Betty Jean Beardsley
Lorraine Bese
Bruce Barber
Jim Beth
Evelyn Bono
Tony Burum
Sheila Busack
Mary Jane O'Neal

IT WAS ALL IN FUN

Seniors 'Sneak' to Santa Cruz Beach

The long-awaited Senior Sneak Day has finally come and gone. A few of the underclassmen weren't aware that Tuesday, June 8, was the day; and these few wondered where the seniors were until informed.

After dragging themselves out of bed at 4:30 a.m., the half-asleep sneakers left the school at 6:00 a.m., breakfasted at Big Trees, then—off to Santa Cruz. Some of us wonder how those few boys who disposed of 11 and 12 eggs could ever move—but they did.

Baseball, wading, canoeing and exploring occupied the legal ditchers for the morning. Two of the more devilish girls amused themselves by one of theim pushing their victims over the other as she knelt behind them. No names need be mentioned.

After finding the lost chaperone, the buses departed for Sycamore Grove and lunch. Shuffle board, football, catch, tossing rings, stuffing themselves with cake, salad, sandwiches, milk, ice cream, pickles, olives, ham, etc., entertained the picnickers until the return to Santa Cruz.

At the beach bathing suits were the most prominent among the various attires. The exciting speed boat ride really made a hit. Even though they got drenched the first ride Mary Lloyd and Sheila went back for more.

The boys had a rousing game of football at the edge of the water while some of the more quiet ones tried to get a suntan as the sun played hide and seek behind the clouds.

After the football game many of the high and mighties went for a swim. When the group of boys suddenly started moving toward the girls, the girls got suspicious, but they also got ducked.

GRADUATING CLASS
CAMPBELL GRAMMAR SCHOOL

With the majority of the class all set to enter Campbell High School in September, 135 eighth grade pupils of Campbell Grammar School will be formally graduated this evening.

Students themselves are presenting the program for the occasion at 8 p. m. today in Grammar School auditorium.

The Grammar School graduation list includes:

Robert M. Adolfo
Carol Akers
Marie Aldama
Marilyn Allen
Marvyn Gary Allen
Cecil Raymond Ames
Evangeline Armendariz
Ruth Arvilla Ballard
Carol Janice Bohnett
Carlo Boncore
Sherman Bowden
Floyd L Bradshaw

Oriole Records Year's Events

Distribution of the "Oriole"—yearbook for Campbell Union High School—was a high spot among activities marking the close of the semester this week.

Covered in white and gold, and containing the picture of every student in school, the book heralds promotion of the class of '48 to the ranks of alumni and records special events of each class and activity.

CADET REVIEW GIVEN

The cadets passed in review for the entire student body on June 3. The band played while an inspection of the corps was made.

The Mount Rushmore National Memorial in South Dakota contains 1686 acres.

GRADUATION PROGRAM
CAMPBELL UNION HIGH SCHOOL
5 P. M. FRIDAY, JUNE 18

Processional: "Pomp and Circumstance" ..... *Elgar*
Campbell Union High School Band
Mr. Frank Friena, director

Invocation ..... Rev. Kennelly
Pledge of Allegiance to the Flag
Overture: "Lustspiel" ..... *Keller-Bela*
Campbell Union High School Band
Address of Welcome ..... Margaret Hengstebeck
A cappella choir: "The Lord's Prayer" ..... *Malotte*
Looking Back ..... Victor Corsiglia
Flute Solo: "Second Concerto for Flute and Piano" ..... *Mozart*
First Movement — Katharine Fuller
Assuming Our Responsibility ..... Lorraine Bese
Soprano Solo: "Hills" ..... *LaFarge*
Aileen Ciraulo
Looking Ahead ..... Richard Suezaki
Awarding Music Pins and Scholarship Pins ..... Laurance J. Hill
Presentation of Diplomas ..... Laurance J. Hill
Assisted by Helen M. Nielsen
Benediction ..... Rev. Kennelly
Recessional: "Triumphal March" from "Aida" ..... *Verdi*
Campbell Union High School Band

GRADUATION PROGRAM
CAMPBELL GRAMMAR SCHOOL
8 P. M. THURSDAY, JUNE 17

Processional March ..... Festival March
Richard Gordon, Director
Roumanian Fantasy ..... Orchestra Selection
Trumpet Duet ..... The Desert Song
Patricia Taylor and Richard Spencer
Accompanied by Sharon Clare
Violin Quartet ..... Little Symphony
Jean Johnson, Sally Spencer,
Ronald Gilpatrick, Carlo Boncore
Accompanied by Marlyne Derich
String Trio ..... The Brook
Beverly Clawson, Mardel Sanders, Joyce Klassen
Ballad for Americans ..... Class
Address of Welcome ..... Marilyn Derry
American Legion Awards ..... Howard Smith
Awarding of Diplomas
William C. Henley, District Superintendent

Baccalaureate Sermon Given

"First Things First" was the title and theme of a baccalaureate sermon delivered Sunday evening by Rev. Robert L. Carlson to members of Campbell Union High School graduating class.

Handel's "Largo" music opened the program as seniors took their places for the service.

The High School orchestra and a cappella choir provided special music and Rev. Lawrence J. Osborne delivered the invocation and benediction.

A workable seeding machine for Muscat raisins was developed before 1880.

Jasper Ciraulo To Be Student Prexy

Recent elections for student body officers gained Jasper Ciraulo the much honored position of student body president. Strong opposition was offered by Ruth Johnson. Both candidates had very clever campaigns. Out of the eight primary electees for council, the four that were voted in were Pat Downing, Richard Abinante, Richard Azevedo and Don Winston. The four runners up were Elden Sylva, Jeanette Gomes, Jean Smith and Ellis Fisher.

J. Ciraulo

The new council held its first meeting last June 8 at which time other officers were chosen. Ruth Johnson was unanimously voted student body vice-president. Pat Downing was put on a white ballot for student body secretary. New officers were installed last Tuesday and their term of office will officially begin next fall at the opening of school.

Wins Arrow Head Scholarship

Katharine Fuller, daughter of Mr. and Mrs. Rex K. Fuller of San Tomas road, received a $100 scholarship to apply on tuition at Lake Arrow Head Music Camp in recognition of her fine performance of a flute solo at the Northern California Music Festival at Oakland in May.

Katharine will be graduated by Campbell High School Friday evening and will enter San Jose State College as a music major in the fall.

Summer Fun To Center in Cove

Again this summer, Bucs' Cove will operate a program for the benefit of the associated students. It will offer the same activities, such as swimming, picnics, table tennis, and other various recreations. A meeting will be called after school is out for the purpose of electing officers for the summer. A lot of fun will be available for high school pupils this summer, so if you're interested, join in, the association urges.

U. S. Navy personnel equipped with cameras, television and depth sounding equipment are combing the bottom of Lake Mead reservoir, Hoover Dam, Nevada, the world's largest artificial lake, to determine what deposits of silt and sand are doing to the lake.

California's 1947 sardine pack dropped to 1,712,494 cases, less than half that of many seasons.

now held by citizens throughout the country—an amount even exceeding the record war-time figures—gives the United States a great financial backlog and the economic strength to maintain her foreign policy and military commitments throughout the troubled world.

Savings Bonds sales headquarters points out that bonds may be purchased through the highly-popular payroll deduction plan, whereby employers are authorized by the purchaser to deduct a fixed amount each month for bond purchases; through the "Bond-a-Month" plan offered at all banks, which provides for automatic deductions from savings accounts on a regular monthly bond buying program; or individual purchases of bonds at any postoffice or bank.

Schools Rush

(Continued from Page 1)

tressed school districts in Santa Clara County.

Under the $35,000,000 school aid appropriated by the Legislature, the Board approved the following for Santa Clara County:

A total of $125,896 for six classrooms, administration area, sanitary facilities and corridors for the Cambrian School District. Total final cost will be $380,514.

Campbell Projects

For the Campbell Elementary School District, project one—$70,913 for a classroom, administration unit, toilets and corridors. Total final cost will be $442,620.

Campbell Elementary School District, project two—$71,074 for kindergartens, two classrooms, administration area and facilities. Total final cost will be $419,251.

Union Elementary District — $101,730 toward a $358,349 expenditure for classrooms and facilities.

The foregoing approvals are subject to the opinion of the State's legal staff on local compliance with bonding and taxation requirements.

Dr. O. S. Hubbard, County Superintendent of Schools, said the grants will be used immediately for construction of badly needed school facilities.

Several other school districts in Santa Clara County have made applications for State assistance, said Dr. Hubbard.

Fire Stations

E. B. Hughston, financial secretary of the Board of Supervisors, said the $50,000 for the four fire stations will also be used as soon as available.

The four fire-protection district stations will be located at:

1. The southeast corner of the Pala School grounds on Alum Rock avenue.

2. The intersection of Casey road and the San Jose-Los Gatos road, opposite Cambrian School.

3. On the Saratoga-Los Gatos road, halfway between Saratoga and Los Gatos.

4. In Cupertino, near the Cupertino School, on Stevens Creek road.

For foreign travel see your NAVY Recruiter at the San Jose Post Office.

Rotary Honors

(Continued from Page 1)

daughter of the Frank De Vitas. Solos by the Reverend Lawrence J. Osborne, and music by a string trio composed of Gilda Mazzanti, Shirley Courtney and Lorraine Wood. The girls are students at Campbell High School, and have been tutored by C. P. Klassen. They received a generous round of applause after each of their numbers.

An impromptu duet, composed of singers Frank Accardi and Cel Gerevas spiced the proceedings during the group singing led by Mr. Klassen. However, many of the songs the two warblers wished to sing were not listed in the Rotary song book and so they were compelled to go along with the rest of the group in singing such numbers as "There's a Long, Long Trail A'Winding."

An interesting talk on the real meaning of Rotary was given by Bill Williams, secretary of the San Jose Rotary Club. Mr. Williams told of the service work done by Rotary throughout the world. Joaquin Payne was chairman of the day.

High School Cadets

(Continued from Page 1)
